Enactus _____, hereby confirms that all projects presented are legitimate and were
[Clearly print full name of Institution]

implemented as stated in the Annual Report and audio/visual presentation.

By appending our signatures to this form we acknowledge and agree that:

- Falsely, consciously, and deliberately overstating the reach, impact, and/or qualitative and quantitative results of any project is an offense.
- It is an offense to plagiarize, claim or present a project that our team did not implement or did not contribute to.
- With regards to continuing projects, we will indicate in our audio/visual presentation and annual report the specific activities undertaken within the current program year, thereby clearly differentiating actions taken this year from those of previous years.
- We will ensure that the presentation of anticipated/future outcomes is clearly identified as 'projections' and not as results already achieved.
- We will provide any additional information and support documentation about our projects upon request by the Enactus office.
- Annual Reports have been reviewed by the Team President, University Advisor, and an Institutional Administrator.
- We will make available the stipulated number of copies of our annual report to the Enactus office and comply with the submission of all mandatory reports by the due date specified.
- This form applies to Annual Reports presented this year at all levels of Enactus competitions, including regional, national, and the Enactus World Cup.

We recognise that appropriate disciplinary action(s) may be taken by the Enactus office should we not honour any of the above points.
